SECURE ENERGY SERVICES INC. ANNOUNCES CLOSING OF \$198 MILLION BOUGHT DEAL EQUITY FINANCING

CALGARY, ALBERTA--(Marketwired - March 24, 2015) -

Secure Energy Services Inc. ("Secure" or the "Corporation") (TSX:SES) announced today that it has closed its bought deal common share financing with a syndicate of underwriters co-led by Raymond James Ltd. and FirstEnergy Capital Corp. including National Bank Financial Inc., RBC Capital Markets, TD Securities Inc., CIBC World Markets Inc., Peters & Co Limited, Scotiabank, Canaccord Genuity Corp., Paradigm Capital Inc., AltaCorp Capital Inc. and Mackie Research Capital Corporation (collectively, the "Underwriters"). At closing, a total of 13,515,370 common shares of the Corporation were issued at a price of CDN\$14.65 per share for gross proceeds of approximately \$198 million, which included the full exercise by the Underwriters of their over-allotment option to purchase an additional 1,228,670 common shares.

The proceeds of the offering are expected to be used by the Corporation to fund the 2015 capital expenditure program, potential acquisitions that may be identified from time to time and for general working capital and corporate purposes. Until deployed for these purposes, the proceeds of the offering will temporarily be used to reduce the outstanding indebtedness under the Corporation's credit facility.

About Secure Energy Services Inc.

Secure is a TSX publicly traded energy services company that provides safe and environmentally responsible fluids and solids solutions to the oil and gas industry.

The Corporation operates three divisions: Processing, Recovery and Disposal Division ("PRD"): The PRD division owns and operates midstream infrastructure that provides processing, storing, shipping and marketing of crude oil, oilfield waste disposal and recycling. Specifically these services are clean oil terminalling and rail transloading, custom treating of crude oil, crude oil marketing, produced and waste water disposal, oilfield waste processing, landfill disposal, and oil purchase/resale service. Secure currently operates a network of facilities throughout western Canada and in North Dakota, providing these services at its full service terminals, landfills, stand- alone water disposal facilities, and rail transloading facilities.

Drilling Services Division ("DS"): The DS division provides equipment and chemicals for building, maintaining, processing and recycling of drilling and completion fluids. The drilling fluids service line comprises the majority of the revenue for the division which includes the design and implementation of drilling fluid systems for producers drilling for oil, bitumen and natural gas. The DS division focuses on providing products and systems that are

designed for more complex wells, such as medium to deep wells, horizontal wells and horizontal wells drilled into the oil sands.

On Site Division ("OS"): The operations of the OS division include environmental services which provide pre-drilling assessment planning, drilling waste management, remediation and reclamation assessment services, laboratory services, and "CleanSite" waste container services; integrated fluid solutions which include water management, recycling, pumping and storage solutions; and projects which include pipeline integrity (inspection, excavation, repair, replacement and rehabilitation); demolition and decommissioning and reclamation and remediation of former wellsites, facilities, commercial and industrial properties.

This press release does not constitute an offer to sell or the solicitation of an offer to buy the securities in the United States, in any province or territory of Canada or in any other jurisdiction.
